

EXAMINATION RESULTS AND
DESTINATIONS OF LEAVERS

2023

I am very proud of the students who took public exams this year. The A Level and GCSE grades achieved by Woldingham students in summer 2023 were good, with some exceptional results achieved by individual students.

At GCSE, seven students achieved at least nine grade 9s at GCSE, with one fifth of the year group achieving nine or more grades 8 or 9. More than 66% of GCSE grades were 9-7. There were particularly strong results in English language, humanities and science subjects.

At A Level, 73% grades were at A* to B with 16 students achieving at least three A Levels at grade A or A*. These results enabled Upper Sixth leavers to take places at leading universities in the UK and overseas. Popular universities for Woldingham students this year include St Andrews, Oxford, Birmingham, Durham, SOAS and Bristol.

Overseas students have chosen universities in USA, Germany and The Netherlands. The diverse range of courses chosen, from modern languages to medicine and architecture to global liberal arts illustrate how Woldingham enables each student find what is important to her as we help them to #WriteYourOwnStory.

Overall, A Level and GCSE results achieved by students at Woldingham in 2023 returned to the last pre-pandemic year of 2019 and are reflective of the change of grade boundaries by exam boards in England.

Mrs Julia Harrington, Interim Head
BA Exeter, NPQH
