TRAVELLING BY TRAIN

We have a large cohort of Woldingham girls travelling on the train and many of our staff also commute by train. We foster a sense of community and our older girls do keep an eye on and assist the younger girls if needed. When the girls arrive at Woldingham station, there is always a member of senior staff there in the morning to safely and efficiently escort them onto minibuses.

At the start of the school year there are Woldingham helpers at Clapham Junction to make sure all girls find the platform and train. They will travel with the girls to and from school for the first few days. New joiners can also be assigned a buddy to meet them at the train station and help with the journey to school.

We are kept informed of any train issues so we will be aware of delays and cancellations. It is advisable to have the school Reception number (**01883 349431**) saved in girls' phones in case of being late for some unforeseen reason, in which case Reception can be called and they will send a minibus for pick up from the station. No girl should be walking along the long drive to get to school. Girls would then need to sign in at Reception before going to lessons, or use the fingerprint system at Marden or the Millennium Centre prior to 10.30am.

Shuttle buses meet trains arriving between 7.30am and 8.20am. They also take girls to the station after school, picking up from Marden and the Millennium Centre; they run from 4.15-6.45pm. Other times, within school hours, can also be arranged by liaising with your daughter's year staff. We ask for 48 hours' notice where possible. If, unavoidably, a shuttle is needed at short notice please call Reception who will be able to assist. Please do allow 30 minutes.

SATURDAY TRAVEL

Saturday buses pick up and take girls to the station around fixtures.

If girls are involved in Saturday fixtures/trials and require a minibus from the station, the procedure is that they must call Mr Richard Miller from our team of drivers, on the day, to let him know what time they will be arriving. Mr Miller is available on Saturdays between 7.30am-1.00pm (approximately) and his mobile number is **07768 612350**.

We would advise that both parents and daughters store this number in their mobile phones.

TAXIS

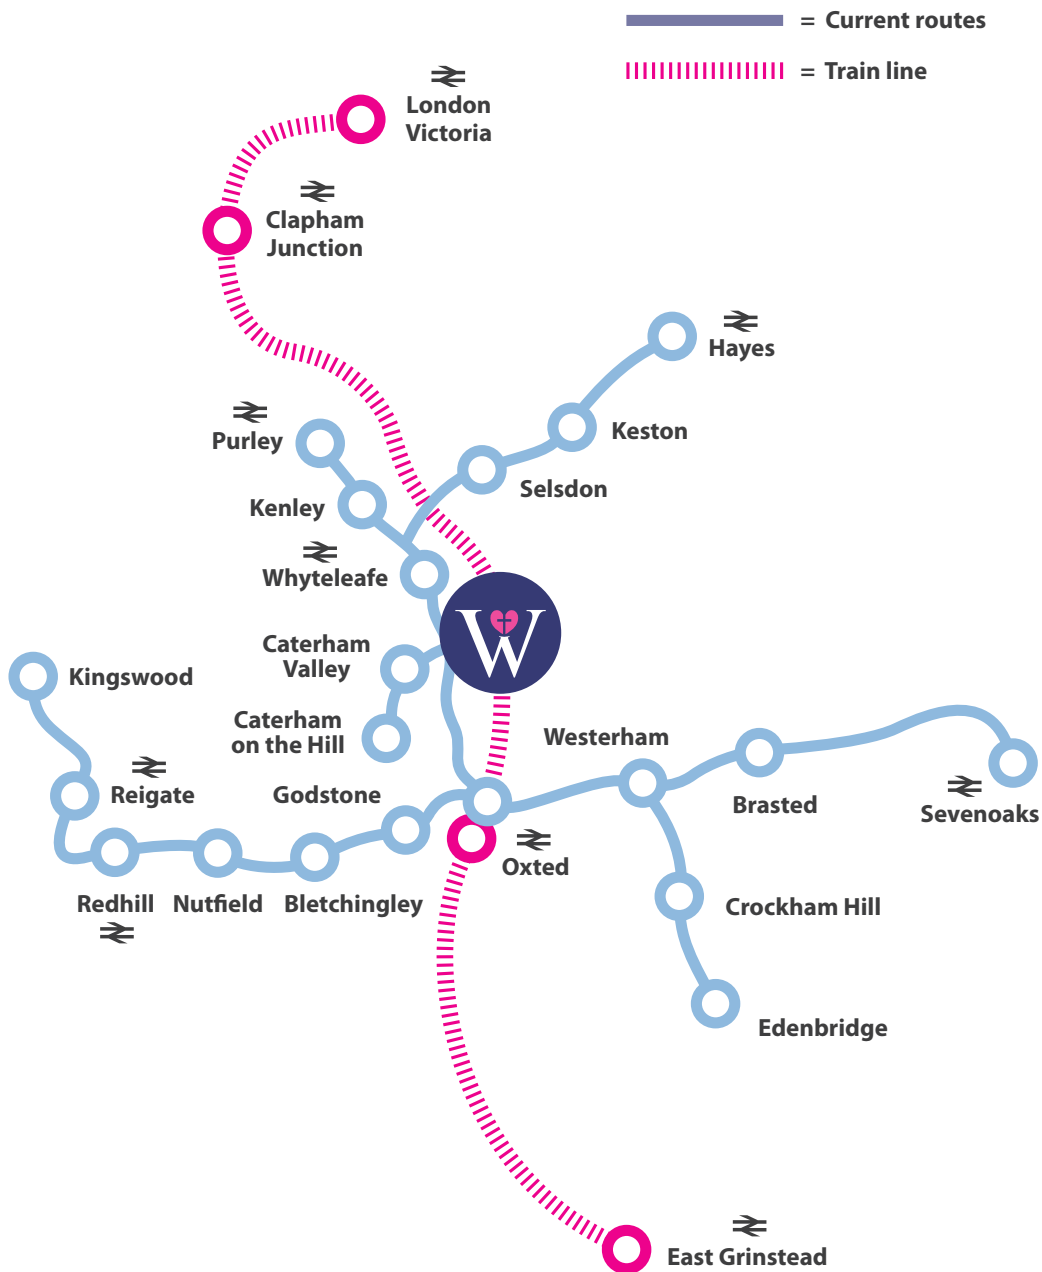

The school's preferred taxi firm is Catax. We offer a taxi booking service for parents to help manage the arrival and departure of your daughters. This is available via a web link on the Parent Portal app/website.

SCHOOL TRANSPORT FROM SURROUNDING AREAS

Buses run from: Caterham, Kingswood, Reigate, Purley, Kenley, Edenbridge, Crockham Hill, Keston, Hayes and Sevenoaks. A place on the school bus can be booked with **Mrs Christianne James, Transport Manager, 01883 654154, transport@woldinghamschool.co.uk**. Traffic and roadworks are regularly reviewed which may alter pick up points/timings as necessary; parents are advised of any resulting alterations.

These routes can also be booked on an ad-hoc basis subject to availability. The charge for a single trip to any location is £6.00 and will be charged to your school account.

Notice of changes

The school requires one full term's notice of any change to your transport booking. In particular, please give advance warning of Sixth Formers who are learning to drive and are likely to cease using school transport once they pass their test and have a car.

Please direct all transport enquiries to Mrs Christianne James,
email: jamesc@woldinghamschool.co.uk, tel: 01883 654154.

TERMS AND CONDITIONS

The following terms and conditions apply to the provision of the transport service. Parents should be aware that these will apply on receipt of the acceptance of their daughter's place on the scheme along with the first payment.

- a) The school does not guarantee to provide transport for your daughter(s) upon application. However, every effort will be made to satisfy parents' requests.
- b) Provision of transport services and/or routes will be conditional upon passenger interest and cost-effectiveness to the school. The school reserves the right to alter or delete routes, pick up and drop down points by giving appropriate notice to parents.
- c) The school reserves the right to alter the pricing for any route by giving appropriate notice to parents.
- d) The school may operate a waiting list for any transport route. In the event that a waiting list is necessary, siblings of girls already using transport will be given priority for a place on such transport.
- e) Transport will be allocated on a termly basis. The termly transport fee is payable in advance. If fees are not received on the first day of term, then your daughter(s) will not be permitted to use the transport and her/their place(s) may be reallocated.
- f) One clear term's notice is required to withdraw from using transport otherwise the appropriate cost will be charged.
- g) Services will be planned to arrive at the school at 8.20am each morning (Monday to Friday) and to depart from the school according to the transport schedule. Timings may vary on the Friday evening of a long weekend, on the last evening before half term and on the last day of term. Parents and girls will be advised of the changes by email.
- h) Times indicated are departure times from allocated pick-up/drop down points. Drivers are not permitted to wait beyond their allocated time to pick-up girls.
- i) Safety and security of pupils until the time of pick up and from the moment of setting down will remain a parental responsibility.
