Dear parents and guardians

ISI reinspection

Following our visit from ISI inspectors in January and subsequent report in March, a progress monitoring inspection by ISI took place on 9 June. The report of this inspection is now available on the [school's website](#).

I am pleased to let you know that this report confirms that the school is fully compliant with the Education (independent School Standards) Regulations 2014 and the National Minimum Standards for Boarding 2022.

Staff and governors remain committed to providing the highest standards of education and pastoral care at Woldingham. Thank you as ever for all of your ongoing support of the school.

With very best wishes

Dr James Whitehead
